Subject: Regarding FutureSkills PRIME (Programme for Re-skilling/Up-skilling of IT Manpower for Employability).

709
26-2-21

Kindly refer to the letter no. CSO/2021/39/1 dated: 29.01.2021 received from worthy Chief Secretary, Punjab on the subject cited above. DO letter no. Secy (MeitY)/FSPRIME/2021 dated: 21.01.2021 received from Mr. Ajay Sawhney, I.A.S., Secretary, Ministry of Electronics & Information Technology (MeitY), Govt. of India with regard.

2. It is to inform you that MeitY, Govt. of India has initiated a new programme titled "FutureSkills PRIME (Programme for Re-skilling/Up-skilling of IT Manpower for Employability)", which aims to create a re-skilling/up-skilling ecosystem in 10 emerging technologies (AI, IoT, Big Data Analytics, RPA, Additive Manufacturing/3D Printing, Cloud Computing, Social & Mobile, Cyber Security, AR/VR and Blockchain).
3. This programme is being implemented in collaboration with NASSCOM, along with its member firms, industry associations and academia, and is based on an 'aggregator of aggregators' framework, bringing together industry-driven multiple-skilling options on a single platform hosted online, targeting upto 4.12 lakh IT beneficiaries through government incentives over a period of 3 years.
4. The beta-version of the FutureSkills PRIME portal (www.futureskillsprime.in) is now live with the initial set of free courses on digital fluency, i.e, bite-sized content

[Handwritten scribbles and marks at the bottom of the page]

to build awareness on emerging technologies and their impact. Sign-up & access is free for all Indian citizens.

5. You are requested to encourage all Government Employees working in your department to sign sign-up & get started on their digital learning journey through the FutureSkills PRIME portal (www.futureskillsprime.in). This would greatly facilitate them in staying abreast with the fast-changing dynamics of the digital world.
