*Vision  
2020 :*

*"To be  
Responsive,  
Vibrant,  
Reliable  
and  
Efficient  
Institution"*

## MESSAGE FROM CMD

It gives me immense pleasure to pen few words on the occasion of release of the 1st Newsletter of PSTCL. The PSTCL Quarterly Newsletter is intended to carry information on important events/activities of the Corporation to all the offices/employees. Such an initiative will give us a feeling of achievement and belongingness.

PSTCL, since its inception, has accomplished its plan and programmes in executing transmission projects and also in implementing some of the best business practices. We have been able to add substantial transformation capacity for smooth flow of electricity to the Load Centers. Execution of 400 KV Main Ring System associated with 220 KV System has changed the power transmission map of the State. With the untiring efforts of all our employees, the performance of the Corporation for the last three and half years has been quite satisfactory though a lot more need to be done to make the Corporation a more efficient utility.

I wish all the employees of PSTCL and their family members a Very Happy and Prosperous New Year.

Anurag Agarwal, IAS.

Farewell function of Er. Ravinder Singh, Director/Technical on 07th Nov. 2013

**MAKE SAFETY A PRIORITY**

## New Appointment

Mr. Niraj Hit Abhilashi Tayal joined as Director/Admin. PSTCL on January 15, 2014. PSTCL Management welcomed him on his appointment

*Celebration  
of  
Independence  
Day  
15th  
Aug. 2013*

The Independence Day i.e. 15 Aug, 2013 was celebrated with great enthusiasm by PSTCL. Dir/F&C Sh. U.K.Panda was the Chief Guest of the flag hoisting ceremony. During his speech, he made certain suggestions such as Introduction of employee's suggestion scheme, quarterly corporate newsletter of PSTCL, to award best managed grid S/stn & transmission line to encourage and motivate employees of PSTCL. This was followed by a cultural programme.
