

PUNJAB STATE TRANSMISSION CORPORATION LIMITED

(Punjab Govt. Undertaking, Regd. Office – PSEB Head office, The Mall, Patiala)

OFFICE OF THE CHIEF ENGINEER/P&M, Ludhiana

Office Order no- 13

Dated: 27/7/2017

Subject:-To streamline the receiving of samples in ODTL

To address the problem of delay in testing of routine oil samples, shortage of stainless steel sampling bottles, delay in preparation of reports and to streamline the testing procedures, a chart placed at annexure-A has been prepared by evenly distributing the sub-stations over a period of twelve months. This should be followed with immediate effect by all the concerned P&M Divisions. The DGA samples of transformers which require six monthly testing will also be received after six months of routine testing month mentioned in the chart. However 400 KV sub-stations will continue to be under urgent testing category.

This issues with the approval of C.E/P&M, PSTCL, Ludhiana

ASE/P&OS
