## How to Login into iHRMS Punjab Portal?

To access the iHRMS, employee will need to log in iHRMS using employee credentials. As a reminder, the default password for iHRMS is the first three characters of your name, followed by the four digits of your year of birth. Therefore, your password will be "MAN1988" (assuming your name is Mandeep and you were born in 1988). It is strongly recommend that changing your password after the initial login to ensure the security of your account.

1. Open official website of iHRMS Punjab "https://hrms.punjab.gov.in"

AUTI	HORIZED LOGIN	DEMO LOGIN	GET IHRMS CODE	
USERNAME				
۵	Enter User ID			
PASSWORD				
94	Enter Password		•
